TRANCE MEDIUMSHIP:

Is a form of mental mediumship in which the medium is in a altered state of consciousness, by the spirit communicator and is in a state of:

Inspiration

Light Control

Overshadowing
Control
Full Control

and allowed to do:

Speaking
Channelling
Drawing
Painting
Writing
Teaching
Rescue
Healing

(can be taken to an extreme, where the healer actually works inside the patient's body.)
directly through the medium.

PHYSICAL MEDIUMSHIP:

Physical mediumship is the process whereby someone, in Spirit, usually known as a spirit operator (as compared to a spirit communicator), works or operates through the mental AND physical energies of the medium and causes something physical to happen on the Earth plane.

Physical mediumship is objective in nature; that is, when the phenomena occur:

Direct Voice
Independent Direct Voice
Ectoplasm
Materialisation
Transfiguration
Apports
Raps
Slate Writing
Table Tilting
Levitation
Winds
Lights
Music
Smells
EVP

Everyone is able to see and/or hear them.

MAGNETIC HEALING

Energy healing promotes healing by enhancing energy flow and correcting disturbances in the "human energy field" or "aura" which permeates and surrounds the body. Improving the flow of energy in the energy field supports the self-healing capacity of the body.

PSYCHIC

Everyone is psychic to some degree using the natural intuitive or sixth sense that is inherent in all of us.

A psychic is sensitive to the electrical, magnetic and other energies emanating from the individual and known as the aura.

A psychic is able to access information from the emotional, physical and spiritual parts of the auric field.

As the aura contains all the information about a person's life, psychic readings can be very accurate.

A psychic also uses the natural ability to be aware of non-verbal communication i.e.. body language, facial expression, dress sense etc.

It should also be noted that a psychic is able to "sense" on a purely material level and not able to "tune in" to the spirit world, except by accident.

All mediums are psychics but not all psychics are mediums.
